5 CONSENT AGENDA:
(The items on the Consent Agenda are normally considered in a single motion. Any item may be removed for separate consideration upon request by any member of the Council.)

a) Approval of August 16, 2021 City Council Regular Session Agenda
b) Approval of July 19, 2021 City Council Minutes.
c) Resolution No. 2159 - Recommendation from Parks & Rec Board for Don Weber to fill board vacancy

*Move to approve the Consent Agenda with corrections on Resolution No. 2159 - fourth 'whereas' name correction to Don Weber*

Moved by Councilor Sheldon. Second by Councilor Fage. Motion was approved unanimously.

6 PUBLIC COMMENT: NONE

7 STAFF REPORTS

a) **Library Director's Monthly Department Report**

Library Director Robin Doughty said that Brianna Sowinski has been hired as the new Librarian I. Sowinski has worked at the North Plains Library as a Library Assistant for the past five years while working to get her Master's Degree in Library Science.

Mayor Lenahan noted that she received an email from the WCCLS today and Robin Doughty's photo was used. Mayor Lenahan also thanked Doughty and her library staff for participating in National Night Out. Councilor Sheldon noted that the interaction on the library's Facebook page was significantly higher than previous months. Doughty attributed the jump to the summer reading program, the 'win a book Wednesday' which was based on engagement on social media along with Brianna Sowinski posting more on social media.

Mayor Lenahan asked if there were many people that took advantage of the Library being open as a cooling station over the weekend. Doughty said that they don't really have a way to count the people that come in specifically for the cooling station use but they estimate it based on the number of bottles of water they give out. She estimates that they gave between a case and a case and a half of water out during the time that they were open.

b) **Chief of Police Monthly Department Report**

Chief Haxton said that there was a rash of thefts the weekend of August 7-8. Haxton said that they believe it is a professional group of thieves and that they have been hitting towns and neighborhoods in Oregon for several years. He said that these types of thefts are often preventable by locking your cars at all times, having good lighting around your homes and not keeping valuables (laptops, money, garage door openers) in your cars. Knowing and speaking with your neighbors along with setting up a Neighborhood Watch in your neighborhoods would also help to deter break-ins. Haxton noted that it is rare to catch these criminals in the act during the late night hours. It is better to do things to prevent them from wanting to come to the area in the first place.

Councilor Papen asked about the 9:00 pm Routine that the Sheriff's Office has been getting out to the public via social media and if North Plains could also get that information out to residents to help educate them on prevention. Chief Haxton said that the 9:00 pm Routine information will be in the city newsletter as well as on the city's social media and he is planning on scheduling a public meeting in the next 1-2
weeks to provide this information along with information on setting up neighborhood watch programs in North Plains.
Mayor Lenahan thanked Chief Haxton and the Washington County Sheriff's Office for their presence at this year's Garlic Festival.

c) **Public Works Director's Monthly Department Report**

Public Works Director Blake Boyles said that over half of the siding is done on the new reservoir with tank testing expected to take place mid-October. Part of the footing base for the pedestrian bridge on West Union has been delivered. Councilor Fage asked if there will be some kind of ribbon cutting ceremony for the pedestrian bridge once it is completed. Boyles said that is up to the Council. Mayor Lenahan said she has had some residents ask her about the road condition on Gordon Rd. at Commercial Street and if it is going to be repaved after the waterline work that was recently completed. Boyles said that the pressure test was just completed and now permanent asphalt can be put over the area on Gordon Road where there has been a temporary patch while waiting for the pressure testing to be completed. Councilor Kindel asked about a bio-swale for water retention at Jessie Mays. City Manager Varner said that for the improvements at Jessie Mays, we are working with Clean Water Services for a storm water solution there. Boyles said they are looking at possibly doing a below-surface retention design.

d) **Finance Director's Monthly Department Report**

Finance Director Reid said that the Water Fund numbers now include the past-due account information including the number of accounts that are past due. Councilor Sheldon asked if we have compared the numbers of the overdue water balances to 2019, and also how it compares to other cities. Reid said at this point we have not done any comparisons to 2019 (pre-Covid). Reid said that the City will work with residents that have past due accounts to get their balances paid and their accounts current. Mayor Lenahan asked what the annual operating budget is. Reid said the combined biennium budget is $20m.

e) **Land use applications for the previous month**

8 **ORDINANCES:**

a) **First Reading - Ordinance No. 474**

Increasing the number of North Plains Library Board voting members from five to seven

*Move to do first reading by title only of Ordinance No. 474 to increase the number of members of the Library Board members from five to seven.*

Moved by Councilor Kindel. Second by Councilor Papen. Motion was approved unanimously.

*Move to approve first reading of Ordinance No. 474*
Moved by Councilor Sheldon. Second by Councilor Fage. Motion was approved unanimously.

9 NEW BUSINESS: NONE

10 UNFINISHED BUSINESS: NONE

11 REPORTS
   a) City Manager Report

City Manager Varner noted that North Plains had a 77% increase in population from 2010 to 2020. First PAC meeting for the UGB will be held September 8, 2021 before the regular Planning Commission meeting. September 7, 2021 there will be a work session prior to the regular Council meeting, along with a URA meeting to discuss the Glencoe Opportunity Area (GOA) proposal. City Manager Varner then spoke briefly on the resurgence of Covid cases recently. He is worried that with the jump in cases schools may not be able to open as scheduled. Varner encouraged people to get vaccinated.

   b) Council Reports

Mayor Lenahan said there is a meeting scheduled tomorrow for Mayors to discuss the healthcare system and the strain that Covid is putting on it. Mask mandates will be discussed during the meeting, as well. She will provide more information as she receives it and invited councilors to join tomorrow's Zoom meeting if they are able to. Councilor Kindel asked about the Glencoe/West Union intersection and if updating it will be included in the Brynhill Phase II & III development agreement. City Manager Varner said that the upcoming development agreement does not include that intersection, but the city will be looking at a Glencoe Road corridor study in the future to address that intersection, along with other issues along the area from the Highway 26 off-ramp north on Glencoe Road. Councilor Papen said that the dedication of the new elementary school, Atfalati, will be held Thursday September 2, 2021 from 5:30-7:30 pm. and invited everyone to attend.

Councilor Smith attended the August Parks & Rec Board meeting. There was a small group of residents that live in McKay Creek Crossing and have property that backs up to the green space that came to talk about their concerns with the pedestrian path that may be going in behind their property. The Parks Board also discussed possible names for the parks in the Brynhill Subdivision with Smith suggesting that maybe the North Plains Historical Society have an opportunity to name the park that will be going in closest to the cemetery at the north end of the subdivision. Also discussed was naming the park in Sunset Ridge that will be turned over to the city in the future the "Sunset Ridge Park". There was consensus from all members of the board on this.

Councilor Fage reported that he attended the August 11, 2021 Planning Commission meeting where the commissioners had a discussion regarding City Council choosing
to overturn the Commission's decision on the Brynhill Rowhomes and Masterplan Refinement Appeal that was before Council at their June 21, 2021 meeting. Fage said that Planning Commission Chair Stewart King said that the City Council has overturned the Planning Commission's decisions three times in the past and it is very frustrating. Discussion ensued. Mayor Lenahan said that she will meet with Chair King, Vice-Chair Heather LaBonte and Council President Russ Sheldon to address the issue and discuss their concerns. City Manager Varner said there is a work session with the City Council and the Planning Commission planned for October to aid in communication between the two groups.

c) Review September 2021 Council Calendar

ORDINANCE NO. 474

AN ORDINANCE OF THE NORTH PLAINS CITY COUNCIL AMENDING SECTION 31.16 OF THE NORTH PLAINS MUNICIPAL CODE TO INCREASE THE LIBRARY BOARD TO SEVEN VOTING MEMBERS AND REQUIRING AT LEAST FOUR MEMBERS TO BE RESIDENTS OF THE CITY

WHEREAS, North Plains Municipal Code (“NPMC”) Section 31.16(A)(1) currently provides that the North Plains Library Board (“Board”) shall consist of five (5) voting members appointed by the City Council; and

WHEREAS, NPMC Section 31.16(A)(2) currently requires that at least three (3) members of the Board be residents of the City; and

WHEREAS, the City Council wishes to increase the size of the Board to seven (7) voting members; and

WHEREAS, the City Council wishes to require that at least four (4) voting members of the Board be residents of the City;

Now, therefore, based on the foregoing:

THE CITY OF NORTH PLAINS ORDAINS AS FOLLOWS:

Section 1. The text of NPMC Section 31.16(A)(1) is deleted in its entirety and replaced with the following:

The Library Board of the city shall consist of seven voting members and shall be appointed by the City Council. Library Board members shall receive no compensation, but shall be reimbursed for duly authorized expenses.

Section 2. The text of NPMC Section 31.16(A)(2) is deleted in its entirety and replaced with the following:

At least four voting members of the Library Board shall be residents of the city. No more than two voting members shall be engaged in the same kind of business or trade or profession.

//  //
Section 3. This Ordinance shall become effective on the 30th day after its adoption.

ADOPTED by the North Plains City Council this 16th day of August, 2021.

CITY OF NORTH PLAINS, OREGON

By: __________________________________________
   Teri Lenahan, Mayor

ATTEST:

By: __________________________________________
   Lori Lesmeister, City Recorder
Date: August 31, 2021
To: Mayor and City Council
From: City Manager Andy Varner and Finance Director Bill Reid
Subject: Resolution 2160: Adoption of Goals & Priorities for a New Economic Opportunities Analysis

Request: Approve Resolution 2160 to adopt four City of North Plains Priorities that will directly guide both a new Economic Opportunities Analysis (Oregon Planning Goal 9) and the current Urban Growth Boundary expansion study process.

Background: Due to a new population forecast for the City of North Plains Urban Growth Boundary (“UGB”) released by the Portland State University Population Research Center (“PSUPRC”) on June 30, 2020, the City of North Plains is required to update its Economic Opportunities Analysis (“EOA”). The currently-adopted EOA contains findings that are based on the 2017 PSUPRC population forecast, which have been superseded by the 2020 population forecast. By Oregon statute, the most recent PSUPRC population forecast for the North Plains UGB must be utilized for 20-year land use planning and UGB expansion consideration.

The four City of North Plains Priorities in Resolution 2160 are the result of two North Plains City Council work sessions held on July 19, 2021 and August 16, 2021. Upon adoption, the four Priorities will directly guide the new EOA study process and the resulting UGB expansion study process to ultimately meet identified City community development needs.

Fiscal Impact: None

Environmental Issues: None

Recommendation: Adopt the resolution approving the four City of North Plains Priorities that will guide the new EOA and resulting UGB expansion study process for desired community development outcomes.

Sample Motion: I move to approve Resolution 2160 to adopt the four City of North Plains Priorities for identifying 20-year economic opportunities, employment land needs, and UGB expansion need.
RESOLUTION NO. 2160

A RESOLUTION OF THE NORTH PLAINS CITY COUNCIL DECLARING GOALS AND PRIORITIES FOR A NEW ECONOMIC OPPORTUNITIES ANALYSIS

WHEREAS, the North Plains City Council ("City Council") amended its Comprehensive Plan on September 17, 2019 by adopting a new Economic Opportunities Analysis ("EOA") that identified a deficit of employment lands within the City of North Plains Urban Growth Boundary over the requisite 20-year planning period ending in 2038; and

WHEREAS, the EOA expressed the City Council’s Vision that the City must pursue and achieve a “robust economy” that attracts and provides new economic opportunities for City residents and entrepreneurs as well as bring new, well-paying, family-wage jobs to the City; and

WHEREAS, the City Council views the pursuit of such new economic opportunities by adding new, suitable employment areas to the City by expanding its Urban Growth Boundary in accordance with the applicable Oregon land use policies, statutes and regulations as essential to the City’s ability and capacity to improve and enhance its “livability”; and

WHEREAS, the City of North Plains formally initiated the first phase of an Urban Growth Boundary expansion study process on August 11, 2020 utilizing, in part, the findings of the EOA adopted on September 17, 2019; and

WHEREAS, the Portland State University Population Research Center released a new, official population forecast on June 30, 2020 for the City of North Plains Urban Growth Boundary that supersedes the 2017 population forecast upon which some findings of the adopted EOA are based; and

WHEREAS, the City Council seeks a new EOA that pursues its Economic Vision as allowed by Oregon Planning Goal 9, is not inconsistent with the official June 30, 2020 population forecast, and informs Phase II of the Urban Growth Boundary expansion study process that was initiated via Resolution 2158 on July 19, 2021; and

WHEREAS, the City Council held work sessions on July 19, 2021 and August 16, 2021 to discuss community development Priorities ("Priorities") that would be addressed by the
expansion of the City of North Plains economy based on the opportunities for economic growth identified in a new EOA; and

WHEREAS, the City Council wishes to formally adopt the Priorities so as to provide direction to City staff and consultants conducting the EOA, the Urban Growth Boundary expansion study process, and all other efforts related to UGB expansion regarding City needs.

NOW, THEREFORE, THE CITY OF NORTH PLAINS RESOLVES AS FOLLOWS:

**Section 1.** The City Council hereby adopts the following Priorities to inform the EOA study process and conclusions, as well as the City’s efforts to expand its Urban Growth Boundary to accommodate new economic opportunities and support City livability, in no particular order:

**Priority 1** Reverse the worsening trend of bedroom community status for North Plains with a thriving jobs-housing balance by expanding and diversifying employment opportunity and industry profile and presence.

**Priority 2** Grow business investment in North Plains to encourage expansion and diversification of the City’s property tax base to reverse the imbalance created by a growing bedroom community development trend.

**Priority 3** Ensure and sustainably fund community-supporting infrastructure, economy-supporting infrastructure, and expanded City services such as recreational offerings that enhance community health and diversify the City economy.

**Priority 4** Expand the local presence of important, everyday commercial services for the residents of North Plains which offers a shorter and safer distance rather than at extended and costly distance to other cities.

**Section 2.** This Resolution shall also guide the City in its continuing economic development planning partnerships with both Washington County and the State of Oregon.

**Section 3.** This Resolution is and shall be effective from and after its enactment by the City Council.

**INTRODUCED AND ADOPTED** this 7th day of September, 2021.

CITY OF NORTH PLAINS, OREGON
Teri Lenahan, Mayor

ATTEST:

Lori Lesmeister, City Recorder
Date: September 7, 2021
To: Honorable Mayor and City Council
From: Andy Varner, City Manager
Subject: City Manager Staff Report

Plans/Projects/Programs

- The Delta variant continues to be a concern for COVID-19 recovery, along with the public health ramifications for all citizens if the health system continues to be overburdened. I will reiterate the best thing people can do to slow the spread of the variants and to get the virus under control is to get vaccinated. Booster shots are going to be available to the currently vaccinated soon, so they will have even better coverage from the coronavirus. Those who remain unvaccinated will continue to be vulnerable to elevated viral exposure, including children.

- As I detailed in an earlier email, the West Union Pedestrian Path work is coming along and lumber for the boardwalk has all almost fully arrived. We are awaiting some comments from the County on a bridge abutment change, and then the bridge can be placed. We still plan for project completion in October.

- Similarly, things are on track for the new water reservoir to be complete and online in November.

- We have two fall Concerts in the Park scheduled to take place at the Sunset Ridge Park, on September 10 and October 2. Since these events are outside with ability to widely space out, we have no plans to cancel; but I will continue to monitor the public health guidance.

- Construction on the Jessie Mays outdoor restroom project was set to begin right after Labor Day. We already started some of the water line upgrade there. The tentative schedule calls for completion by mid-October.

- We now have some preliminary analysis on the SDC update study and should be able to share results in early fall.

- We have a plan and materials on order for the Sunset Ridge traffic control options, to include new school speed zone signage and the traffic circle improvements. The school contractors are doing the installation, and we expect materials to arrive the latter half of September. Installation will occur after that.

Urban Renewal Agency

- We had the second PAC meeting for the Downtown Improvement Plan at the end of August and the committee had reviewed the initial reports coming out of the plan. We have a community webpage for the project, and the next steps include a community survey for downtown aspirations, along with a virtual open house of the project. This is in lieu of a face-
to-face open house due to COVID spread. We hope to have that in-person meeting in the future.

**Grants**
- Here is a rundown of all the grants we have in the air or are preparing:
  - The City applied for a **Small Cities Allotment** grant at the end of July. Results should appear next month.
  - I also plan to apply for a DLCD Technical Assistance **grant for Housing Needs Analysis** update, due to the UGB expansion. I do not have a lot of hope in getting DLCD assistance but we have many planning needs and the Legislature has allocated a lot of planning dollars recently.
  - I expect to receive **grant agreements from the State** for the Public Works building and trail work before the fall.

**************************************************
**Boards/Commissions/Meetings**

**Economic Development Committee**
- October 1: Revisit economic development roadmap and strategy

**Parks & Recreation Board**
- September 13: Project updates

**Planning Commission**
- September 8: Zoning Code updates

**Three Meeting Outlook for City Council**
- The next few **City Council meeting agendas** should include: Brynhill Phase II/III Development Agreement; SDC methodology and fee update; telecom franchise update.

**************************************************
**Council Work Sessions**
The Council agreed to convene for City Council meeting work sessions on the first meeting of each month (and sometimes the second). I would welcome Council feedback, but future work session dates and potential topics I foresee include:

October: Joint work session with Planning Commission on development code revisions
November: Joint work session with Economic Development Committee on ED Goals and Objectives
